

Steve Sinkula
Vice President, Global Business Development

Steve Sinkula joined Agrinos in 2015 as Vice President of Global Business Development. In his role with Agrinos Mr. Sinkula leads new business strategy, product and technology partnerships, and strategic partnerships. His position encompasses a global focus that covers core geographies for Agrinos including North America, South America, Europe, India and Asia. Mr. Sinkula's responsibilities also include fostering commercialization of Agrinos products in new market segments or geographies.

Over the past 10 years Mr. Sinkula has held leadership positions with Cargill's Strategy and Business Development Group and AgHorizons Marketing Services. Most recently he served as a Business Development Manager for Arcadia Biosciences. He earned his Bachelor of Arts in Economics and Management from Beloit College and a Masters of Business Administration from the University of Virginia Darden Graduate School of Business.
